Dear parents,

Happiness is in the air. Long awaited summer holidays are again ready to welcome you with their warm showers!

Life needs to be balanced between fun and work. Summer Holidays give a chance for students to relax. During holidays, leisure replaces work as a priority. You are filled with the enthusiasm to explore, travel and learn. Besides relaxing the students should keep in mind the execution of the assigned work in a well planned manner. Motivate your wards to interact with knowledgeable books that would in turn lead their minds to grow exclusively and in an effective manner.

NOTE: - Student should read the instructions carefully and do the assignment work in prescribed activity book / class work A4 sized sheets and to be neatly presented on June 1st, 2019. Marks are awarded for the same.
